

■ Suzlon Bags 69 MW Wind Energy Order

NEW DELHI: Renewable energy solutions provider Suzlon has secured a 69-MW wind energy order

from the Indian subsidiary of a leading Nordic energy company. The order is for the development of a 69 MW wind power project for the Indian subsidiary of a leading Nordic Energy Company, a Suzlon statement said. The company, however, didn't disclose the value of the order. Suzlon will install 23 wind turbine generators (WTGs) with a hybrid lattice tubular (HLT) tower and a rated capacity of 3 MW each.
