

# Suzlon bags 50.4 MW wind power project

Renewable energy solutions player Suzlon Group bagged an order for a 50.4 MW wind power project from Juniper Green Energy. The company didn't disclose the value of the order. Suzlon will install 16 wind turbine generators with a hybrid lattice tubular tower of its new product with a rated capacity of 3.15 MW each. The project is in Dwarka in Gujarat and is expected to be commissioned in 2025.
